

**HYC serves homeless youth ages 13 to 19 in more than 50 high schools throughout the Valley, with more than half located in the West Valley.**

There are more than 7,000 homeless youth in grades 9-12 in Maricopa County. These students face numerous barriers to education, keeping many of them from completing high school or achieving post-secondary education.

By providing basic needs, case management, housing

and much more, HYC is helping to bring a positive future to this invisible population. This year, thanks to individuals like you, HYC will assist more than 600 homeless youth with basic needs and resources so they can stay in school and graduate.

## **We are proud of all our students.**

*Below are just a few of their stories.*

**KRISTI** witnessed extreme violence and domestic abuse in the home. Kristi is graduating with a 4.1 weighted GPA in the top 5% of her class. She was awarded the Dean Scholarship and plans to attend ASU to study pre-med.

**TRENT** was living in his car, had dropped out of school and experienced physical and emotional abuse at home. Though very behind in school, he made up the work and graduated on time. He was one vote shy of being the class valedictorian.

**JENNY** overcame years of abuse in the DCS system since the age of nine. She graduated with a 3.675 GPA and is attending ASU.

This year, almost 200 players will enjoy an 18-hole round of golf and a delicious lunch at the Tuscany Falls Golf Course. A range of opportunities are available to support this event including sponsorships and donations for raffle prizes.

We sincerely appreciate your support. Your generosity will help provide youth impacted by homelessness with the basic necessities and resources they need to thrive. If a homeless youth does not have to worry about where he is going to sleep that night or where his next meal is coming from, he can focus on staying in school and getting his diploma. Through collaborative efforts with partners like you, HYC is helping homeless teens have a chance for a brighter future.
