ADOPT A YOUTH

The holidays can be a difficult time for youth experiencing homelessness. Your support helps show that their community cares for them and that they are not alone.

How to help this Thanksgiving:

- “Adopt” a youth and their family to provide a thanksgiving basket
- Supplement thanksgiving baskets by purchasing non-perishable food items on our approved wish list
- Volunteer to deliver thanksgiving baskets
- Make a financial donation to support Thanksgiving dinner for our youth at hycaz.org

You are welcome to adopt as many youth families as you desire.

Contact inkind@hycaz.org to learn more and sign up.

Thanksgiving baskets will be distributed to youth families November 19 and 20.
