

Arizona Charitable TAX CREDIT

Redirect your state tax dollars to help youth experiencing homelessness stay in school and graduate.

HOW IT WORKS

Anyone who pays Arizona state taxes may be eligible for the tax credit when donating to a Qualifying Charitable Organization. This contribution may offset your Arizona income tax obligation. **It is a dollar-for-dollar state tax credit reduction.**

Your gift will make a tremendous impact in the lives of homeless youth and in our community.

IMPORTANT TO KNOW

- **You no longer need to itemize** your taxes to take advantage of the Charitable Tax Credit.
- **This tax credit is in addition** to the Public and Private Education Tax Credit and Foster Care Tax Credit.
- **Couples filing jointly can give any amount up to \$800 (individuals can give up to \$400).** All donations above the tax credit maximums can be taken as a charitable deduction on both state and federal taxes.
- **You have until April 18, 2023** to make a donation that qualifies for the tax credit.*
- **Homeless Youth Connection's Qualifying Charitable Organization Code is 20200.** Donors are required to use this code when taking the tax credit on their income tax returns.

**Tax circumstances vary greatly. Please consult with your tax advisor for specific questions related to your tax situation.*
